This job aid is specific to requesting Finance Org Security. For information on submitting a Banner Authorization Request (BAR), see FastInfo answer ID: 1586 – How Do I complete a Banner Authorization Request.

   - Use the View Org Hierarchy link to select appropriate level 5 org codes.
   - For Example, if you need:
     - 594A, 594B and 594C

9. Follow steps 7 and 8 until all orgs have been entered.
10. You will only receive access to Org Codes you select, subject to security approvals. Make sure you have requested all the orgs you need.

12. Review your request, scroll to the bottom of the page and submit your request.
13. If your BAR has been submitted successfully, you will receive a confirmation email.
14. Once your security is approved, you will receive another email stating the roles have been approved.

The BAR is routed electronically via workflow and Org Security must be approved by Fiscal Agents.
